

Walking Directions from parking structure 9 to CNSI:

ELEVATOR ACCESS: Once parked in lot 9 you can take the stairs or the elevator to the roof. Once on the roof walk east, towards the CNSI building. At the far end of the roof near the CNSI building you will see a ramp on the left. Walk on the ramp and once you reach the side of the CNSI building you can make a right turn and then enter the lobby doors which are located in the front of the building.

STAIRWAY ACCESS: You can exit the lot 9 structure on the street level and walk up the very tall set of stairs at the far end (going east). The stairs will lead you up to the area immediately adjacent to CNSI. At the top of the stairs turn right and you can enter the lobby of the CNSI building.
